Sometimes, in your quest to follow Jesus, you may find yourself in places you never intended to go, wondering how you got there, facing obstacles and challenges you never imagined. Facing feelings of abandonment, you ask yourself where your Beloved went. That is when you look up and realize He s been there all along, calling you higher, calling you to leap on the mountains, these obstacles and painful events, with Him. Let the Winds Blow is a devotional study guide that takes you on a verse-by-verse journey through Song of Songs. You will see the Shulamite Bride, who is a picture of the Bride of Christ, as she moves from immaturity and brokenness to become a mature, vibrant, beautiful bride prepared for her Bridegroom, Jesus. He has invited every believer into union and partnership with Him for eternity. His desire is that we join Him in establishing the kingdom of His Father on earth. Evelyn Donelson opens up this book in a practical way through her years of experience walking with the Lord and the testimony of what He has done in her own life. She invites you to join in this journey and allow the wind of the Spirit to blow upon the garden of your heart as it has on hers.
