Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

This narrative integrates a life s story of intergenerational trauma and lived experiences of abuse. Taking the reader on a journey through healing, the story illustrates trauma effects in one s life, and carries on to the growth and power of embracing pain. Learning to hold and release the pain of trauma through gentle yoga, meditation and reflection, a sense of self is rediscovered. It is hoped this will illicit hope and curiosity on how each of us can take back the taken part and heal in our own, personal way.
