

Facts Versus Fables about the Present Cost of Good Clothing (Paperback)

By The House of Kuppenheimer

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the introductory THE PROBLEM ONLY five dollars worth of wool in a suit of clothes! Only five dollars* worth in a suit that sells for sixty dollars. Who gets the rake-off? Where is the leak? Says the farmer, I sell you my wool for five and have to pay you back that five, and fifty-five more before I get my suit. Says the man in the street, **I don t know who gets it, whether the farmer or the clothier; I only know that clothes are too high. Where is the Leak? Who got that fifty- five? Who profiteered? I didn t, says the retailer. I didn t, says the cloth manufacturer. We didn t, say the cutters and the tailors and the buttonhole makers and the thousands of other shop workers. Well, then it must be the manufacturer who killed Cock Robin and pocketed the fifty-five. But, don*t be too hasty. More necks are broken by jumping at conclusions than by hanging or falling down elevator shafts. Let s look for the facts and save on necks. Wool...
