BRICK BUY BRICK - BOOK SEVEN: INVESTING IN HOUSES OF MULTIPLE OCCUPANCY (PAPERBACK)**DOWNLOAD**

Troubador Publishing, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. The modern day, no-nonsense guide to property investing. The seventh in the revolutionary `Brick Buy Brick series of books in association with Tigrent Learning UK Limited, Investing in Houses of Multiple Occupancy provides aspirational investors with a detailed explanation of how their lives can change with education, motivation and action. Moreover, it is written in a way that is accessible to all. The book shares insights into the often misunderstood world of property investing and how all of us are able to make money from property, both in and out of a recession. Without the plague of non-essential jargon that is often found in similar books, it opens up the doors for readers who are not as well-versed in the subject, allowing them to see that they have a chance at being just as successful as those who are. This book looks at houses of multiple occupancy or HMO. It reveals what exactly constitutes an HMO, examining the pros and cons of this type of housing compared to other buy-to-let properties. Questions about the obligations of a landlord in terms of health and safety requirements are also answered, along with guidelines for dealing with tenants and useful hints and tips on how to find the right opportunities and maximise profit. `Brick Buy Brick is a series of books that form the definitive guide to general and specific property investing strategies that are used by professional property investors, on a daily basis.
