(Ms. Bernice Rolfson)

ENGLISH FOLKLORE (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from English Folklore In 1725 Henry Bourne dedicated to those Incouragers of Learning and Rewarders of Merit, the Mayor and Corporation of the town and county of Newcastle-upon-Tyne, where he was curate of All Saints Church, a little book with the title Antiquitates Vulgares, or The Antiquities of the Common People. Giving An Account of several of their Opinions and Ceremonies. With Proper Reflections upon each of them; shewing which may be retain d and which ought to be laid aside. The mixture of affable condescension to the common people, and of humble apology to their betters for a display of interest in what vulgar folk did and thought, makes the book delightful reading nowadays. The preface says: I would not be thought a Reviver of old Rites and Ceremonies to the Burdening of the People, nor an Abolisher of innocent Customs, which are their Pleasures and Recreations: I aim at nothing, but a Regulation of those which are in Being among them, which they themselves are far from thinking burdensome, and abolishing such only as are sinful and wicked. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
