HESIOD'S CALENDAR

[DOWNLOAD](#)

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Hesiod's Calendar, Robert Saxton, The ancient Greek poet Hesiod is best known for two poems, the Theogony and the Works and Days. The Theogony gives an account of the creation of the universe and the war between the Titans and Olympians, while Works and Days offers plain-speaking advice on everything from how to cut timber for a plough to behaviour best avoided at a holy banquet. Hesiod's Calendar brings each poem to life in two robustly colloquial sonnet sequences. Saxton's fresh and witty treatment re-imagines the original texts for modern readers, in poetry that is faithful to the mythic power and the vivid immediacy of the ancient works. The poet's introduction and detailed notes provide a fascinating insight into a dialogue between two poets across the centuries.
