HIDEAWAY HOSPITAL MURDERS - Greg Tenorly Suspense Series - Book 2. Suspense with romance. Description: Macy is a live-in nurse who cares for a pediatrician's mother during the day, and fantasizes about the doctor at night. But when a seductive new woman comes into his life, Macy sees her dreams of happiness slipping away. As the wedding day approaches, she must make her move, or lose him forever. But the bride's evil sister will have something to say about that. Across town, one of Greg Tenorly's elderly piano students is brutally murdered. He and his girlfriend begin to investigate, which ultimately leads them to the doctor's house, where they make a startling discovery: a secret hospital ward, buried deep beneath the house. But none of the patients are alive. Praise for Robert Burton Robinson's HIDEAWAY HOSPITAL MURDERS: I really enjoyed this story. Every twist and turn was unexpected and well written.
