

The Economic Security of Business Transactions: Management in Business (Paperback)

By Friedrich Schneider, Konrad Raczkowski

Chartridge Books Oxford, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Summary The Economic Security of Business Transactions covers such aspects as: management in the economic system; commercial risk in domestic and international transactions; an assessment of partners; unofficial economy and the state budget; economic security business; the role and importance of law in business. The book looks at the threats and risks arising from international trade and operating leading businesses, plus the role of the State. It examines the required new forms, methods and approaches for management. This has significant implications for the businesses concerned and the State's role. This book is an attempt to point to the example of single countries, the European Community, and on a global scale - what is the efficiency of national economic systems and how the associated risks impact upon economic trade disorders. The Editors Konrad Raczkowski is Professor of Management, who specializes in the unofficial economy, public finances and management in the economic system. He is a Director of Economic Institute in University of Social Sciences in Warsaw; he was Head of the Department of the Economic Security Management. Between 2003 and 2013...
