THE STEP CHILD: A TRUE STORY OF A BROKEN CHILDHOOD (PAPERBACK)**DOWNLOAD**

Ebury Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. The true story of Donna Ford, who between the ages of five and eleven was abused by her stepmother Helen. Labelled the bastard , the little witch and the evil one ; beaten, isolated and afraid to even look at her own reflection, this beautiful little child was told she was lucky to be the victim of abuse - abuse which began as physical and mental, but progressed to the most appalling sexual attacks. Despite an horrendous early life, Donna is now a successful artist and mother of three with an enormous enthusiasm and an optimism which completely belies her experiences. In 2003, Donna watched as her stepmother was found guilty of procuring a minor for sexual abuse and sentenced to two years in prison. Beautifully written and savagely honest, The Step Child is Donna s story. It is an inspiring tribute to the resilience of the human spirit.
