

Vertical Gardens: A Step by Step Guide to Vertical Gardens (Paperback)

By Franklin Godfrey

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book contains proven steps and strategies on how to create your own vertical garden. Vertical gardens are known as green walls or living walls are easier than ever to plan and grow. Some vegetables such as pole beans and tomatoes have been grown vertically for a very long time, but it is only recently that growers and gardeners who own small piece of land have started to use vertical methods and support structures for growing vegetables and fruits that previously have been thought to require a lot of horizontal space. Small space simply does not matter now; the vertical gardening has made gardening imaginable for anyone.
