Reviews

A very amazing book with perfect and lucid answers. it absolutely was writtern quite flawlessly and useful. I am just easily will get a satisfaction of reading a created publication.

(Pearl Turcotte)

THE CULTURAL INTERMEDIARIES READER (PAPERBACK)**DOWNLOAD**

Sage Publications Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A rich selection of readings that expose the shadowy underworld of critics, bloggers, tweeters and stylists who have become essential guides to the good life of cultural consumption. a long overdue examination of how cultural intermediaries work, and how their work supports the new capitalist economy. - Sharon Zukin, Brooklyn College and City University An array of talented contributors, skilfully brought together by the editors, show how the concept of cultural intermediaries can cast light on cultural production, and on media, culture and society. - David Hesmondhalgh, University of Leeds Cultural intermediaries are the taste makers defining what counts as good taste and cool culture in today s marketplace. Working at the intersection of culture and economy, they perform critical operations in the production and promotion of consumption, constructing legitimacy and adding value through the qualification of goods. Too often, these are processes that remain invisible to the consumer s eye and in scholarly debates about creative industries. The Cultural Intermediaries Reader offers the first, comprehensive introduction to this exciting field of research, providing the conceptual and practical tools needed to analyse these market actors. The book: Surveys the theoretical terrain through accessible, in-depth primers to key approaches (Pierre Bourdieu, Michel Callon and the new economic sociology). Equips readers with a practical guide to methodology that highlights the central features and challenges of conducting cultural intermediary research. Challenges stereotypes and narrow views of cultural work through a diverse range of case studies, including creative directors of advertising and branding campaigns, music critics, lifestyle chefs, assistants in book shops and fashion outlets, personal trainers, bartenders and more. Brings the field to life through a wealth of ethnographic data from research in the US, UK and around...
