

The Future: Six Drivers of Global Change : Six Drivers of Global Change

By Al Gore

Random House, 2013. Taschenbuch. Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - From the former vice president and no. 1 New York Times bestselling author comes An Inconvenient Truth for everything - a frank and clear-eyed assessment of six critical drivers of global change in the decades to come. Ours is a time of revolutionary change that has no precedent in history. With the same passion he brought to the challenge of climate change, and with his decades of experience on the front lines of global policy, Al Gore surveys our planet's beclouded horizon and offers a sober, learned, and ultimately hopeful forecast in the visionary tradition of Alvin Toffler's Future Shock and John Naisbitt's Megatrends. In The Future, Gore identifies the emerging forces that are reshaping our world: - Ever-increasing economic globalization has led to the emergence of what he labels 'Earth Inc.' - an integrated holistic entity with a new and different relationship to capital, labor, consumer markets, and national governments than in the past. - The worldwide digital communications, Internet, and computer revolutions have led to the emergence of 'the Global Mind,' which links the thoughts and feelings of billions of people and connects...
