A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Edmond Spencer was an ordinary, eleven-year-old boy, living with his devoted mother, a doctor in London, England. The only complaint Edmond had, was that his mother worked nights and had a strict rule about never being disturbed during the day. True, Edmond was curious about his unknown father, but otherwise his life was wonderful! But then Edmonds world was turned upside down in a single night! First, he was dragged out of bed and brought to a strange, new school where classes ran only at night. Then, the friends he made, Neela and Crichton, turned out to be very strange. For one they drank blood but that was just the start of their quirks! It wasnt long before Edmond learned that all the students at Thystlewicke were more than they seemed. They were not just rich kids with strange tendencies. They were vampires! But what did vampires want with him Making friends and getting good grades at the Thystlewicke School for Vampires were nothing compared to staying alive! A single well-meaning glance and he would be turned to stone if the unfriendly vampires didnt eat him first! What was an eleven-year-old to do This item ships from multiple locations.
