Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Experiments in Range Improvement in Central Texas It has been written that he is a benefactor of the human race who makes two blades of grass grow where but one grew before. May it not be said with as much reason that he who destroys the Single blade is a menace to civilization? At all events, the suggestion opens up an interesting line of thought, and it may be well worth the effort involved to consider very briefly the present conditions of central Texas and the Southwest generally. The capacity of this section for carrying live stock has been, during the past fifteen or twenty years, diminished from 30 to 50 percent as the result of either bad management or a reckless desire on the part those who occupied it to get rich in a hurry.
