HOW TELEVISION INVENTED NEW MEDIA

Rutgers University Press. Paperback. Book Condition: new. BRAND NEW, How Television Invented New Media, Sheila C. Murphy, Now if I just remembered where I put that original TV play device--the universal remote control . . . Television is a global industry, a medium of representation, an architectural component of space, and a nearly universal frame of reference for viewers. Yet it is also an abstraction and an often misunderstood science whose critical influence on the development, history, and diffusion of new...
