This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The most universal civilian privation in World War II Britain, the blackout possessed many symbolic meanings. Among its complicated implications for filmmakers was a stigmatization of film spectacle—including the display of Hollywood women, whose extravagant appearance connoted at best unpatriotic wastefulness and at worst collaboration with the enemy. Exploring the wartime breakdown of conventional gender roles on the screen and in the audience, Antonia Lant demonstrates that many British films of the period signaled their national cinematic identity by diverging from the notion of the Hollywood star, the mainstay of commercial American motion pictures, replacing her with a deglamourized, mobilized heroine. Nevertheless, the war machine demanded that British films continue to celebrate stable and reassuring gender roles. Contradictions abounded, both within film narratives and between narrative and real life. Analyzing films of all the major wartime studios, the author scrutinizes the efforts of realist and melodramatic texts to confront women's wartime experiences, including conscription. By combining study of contemporary posters, advertisements, propaganda notices, and...
