Hanjie Griddlers Nonograms: 100 Picture Puzzles

By Djape

Createspace, United States, 2013. Paperback. Book Condition: New. 228 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Sixth book with picture puzzles by Djape, third in the series under this title. Important: This time the titles are printed at the back of the book, not with each puzzle. All puzzles are brand new, previously unpublished Hanjie puzzles. Hanjie puzzles are known under many different names, but the game is always the same: it is your goal to paint the grid by following the clues and using logic as your main weapon. The painted grid reveals an image. This is why some call this kind of puzzles paint doku or paint by numbers. The pictures in this book were designed by artists, including my Mom and turned into puzzles by me. This time, in the introduction, the cornering technique is explained with more examples and in more detail. The puzzles range from 20x20 to 35x30 in size, but more than half are 20x20. Perfect size for the most pleasurable solving experience, on a top quality paper which can sustain multiple erasures if needed. The difficulty levels are EASY-COOL-THINKER-BRAIN-IQ-INSANE with the majority of puzzles being THINKER. ENJOY!...
