## NUCLEUS

Partridge India. Paperback. Condition: New. 414 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. This is the first book on leadership for women out of Asia and India. Presented as a methodology through which the reader can pave a path for their own leadership, this DIY format book works like a growth companion for the reader. The heroine of the book is every woman who wishes to embrace leadership as a matter of choice. Supported by simple illustrations, the book works both for personal development and in the corporate sector. The author found iconoclast connections between four different disciplines-law, leadership, personal development, and universal natural laws-to re-define womens leadership. Nucleus is a strategic tool to strengthen women mentally and emotionally, not from the gender perspective but from the socio-human perspective. With the undeniable background of gender issues across the world, Nucleus will lead women from ordinary to effective and effective to excellent through an experiential methodology to leadership. A catalyst between knowledge and real life execution, it offers practical tools for womens growth that bridge the gap between theory and practice-things they can begin to do today. The book challenges the status quo to define a different way to be, so womens contributions can be better utilized in the social-work context. With novel and path-breaking ideas, Nucleus will pioneer the dialogue about where women can make the biggest difference in work and why creating women leaders is an absolute must. The methodology and ideas in the book can be picked by ordinary women to become extraordinary. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
