Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a seemingly quiet hospital room, strange creatures lurk just out of sight, while a fifteen-year wedding anniversary in a mountain cabin takes a couple to places never seen on earth. These are only two of the tales contained in Linda P. Young s **5 Short Stories that just aren t write!** These tales offer a brooding, insightful glimpse into worlds where darkness holds sway. **Decision** finds three aliens tasked with a judgment that affects an entire planet, while **When the Leaves Scream** offers a deeply personal tale of one young man s untimely death, and the mark his passing left on the author. Examining subjects society tends to avoid, **15 MINUTES**, the centerpiece in Young s work, is a controversial and often macabre look into the mind of a seasoned serial killer. A famous restaurant owner is attempting to slow down his life with a smaller version of his four previous restaurants. These combined events build to a conclusion that shakes the very bedrock of a small town. Find a quiet spot, hunker down, and prepare yourself for Young s frightful tales. But leave a light burning-because you never know what s just out of sight in the dark.
