HAZARDOUS FUELS MANAGEMENT IN SUBTROPICAL PINE FLATWOODS AND TOPICAL PINE ROCKLANDS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Wildland fires are an integral component of the ecosystems of tropical pine rocklands and subtropical pine flatwoods. Fuels such as leaf litter and understory vegetation accumulated rapidly and in less than a decade can reach dangerous levels that can drastically increase fire intensity in both prescribed fires and wildfires. Land use changes in the regions occupied by these forests have resulted in...

Reviews

A new electronic book with a new viewpoint. I could comprehend almost everything using this written e publication. You wont really feel monotony at whenever you want of your own time (that's what catalogues are for concerning in the event you request me).

-- **Zachariah Cole III**

Extensive manual for book lovers. It really is simplistic but excitement from the 50 % of your pdf. You wont feel monotony at anytime of your time (that's what catalogs are for regarding if you check with me).
