Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Du fait de la consommation outrance d'aliments industrialisés, notre organisme manque de la majeure partie des vitamines, oligo-éléments et acides aminés essentiels à son bon fonctionnement. Cette carence entraîne de nombreuses déficiences de notre organisme, et particulièrement de notre système immunitaire. Nous devenons ainsi de plus en plus sensibles aux agressions externes, et principalement aux attaques des microbes, virus et autres bactéries qui nous entourent. Et ceci sans parler des nouvelles maladies de civilisations dont le nom mystérieux, et savamment choisi, cache en fait d'autres maladies alimentaires, comme la Candidose chronique, le syndrome de l'intestin irritable, et la maladie cœliaque (intolérance au gluten). Ainsi notre propre alimentation devient notre pire ennemi. Pourtant, il existe encore des moyens de retrouver la santé et de la conserver, grâce à des produits naturels dont l'efficacité est pourtant cachée à l'ensemble de la population. Je vais vous parler de ces incroyables produits naturels qui sont devenus aujourd'hui notre seul et unique rempart face aux maladies.
