

Shocked: Adventures in Bringing Back the Recently Dead (Hardback)

By David Casarett

Penguin Putnam Inc, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Not too long ago, there was no coming back from death. But now, with revolutionary medical advances, death has become just another serious complication. As a young medical student, Dr. David Casarett was inspired by the story of a two-year-old girl named Michelle Funk. Michelle fell into a creek and was underwater for over an hour. When she was found she wasn't breathing, and her pupils were fixed and dilated. That drowning should have been fatal. But after three hours of persistent work, a team of doctors and nurses was able to bring her back. It was a miracle. If Michelle could come back after three hours of being dead, what about twelve hours? Or twenty-four? What would it take to revive someone who had been frozen for one thousand years? And what does blurring the line between life and death mean for society? In *Shocked*, Casarett chronicles his exploration of the cutting edge of resuscitation and reveals just how far science has come. He begins in the eighteenth century, when early attempts at resuscitation involved public displays of barrel rolling, horseback riding (sort...
