Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Ten Studies in the Psalms* There is, perhaps, no part of the Old Testament which speaks so simply and directly to the universal heart as the Psalter. Yet even the most familiar psalms come home to us with increased freshness and power when, by sympathetic study, we have traveled back to the world in which their writers stood, and learned to look out upon it with their eyes. The short studies in this volume are an attempt to interpret, in this way, a few of the psalms that deal with important aspects of the religious life, and to show their vital bearing upon the life of to - day. In their doubts, struggles, and aspirations, those ancient men are very near us, and they speak to us with an accent that is strangely modern. I have tried to make this plain in the course of the exposition, and to illustrate their kinship with us by quotation from modern writers. The treatment of the psalms here selected is expository. But, without. Being didactic or homiletic, I have at the same time sought to make it practically helpful, by gathering up the study of each psalm in a series of personal questions, which are intended both to carry the reader into the heart of the psalm, and also to enable him to search his own inner life. I desire here to express my obligation to Messrs. Charles Scribner's Sons for their generous courtesy in allowing me to reprint, from my volume on *The Messages of the Psalmists in The Messages of the Bible Series* the paraphrase of the psalms here selected for study.
