ASPHYXIA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Detective Jim Bannon is no ordinary detective. With a dress code of anything in black, short leather jacket, blue tinted spectacles and shoulder length hair, the claustrophobic and asthmatic inner-city, Dublin born detective is on the case of London s most cunning and perverted serial killer. A young woman has been brutally slain in a murderous act involving asphyxiaphilia. A connection between the victim and England s largest online dating site is discovered. It soon becomes a race against time to catch the deviant before the bi-curious and dangerously adventurous Robyn O Brien, an astrology-loving Harley Street receptionist, falls victim to the killer s insatiable lust. Asphyxia is a fast paced thriller, full of unsavoury reality, deception, thrills, twists, warped eroticism and dark humour, that will leave you gasping for breath as you approach its climax! Asphyxiaphilia: An extremely dangerous sexual practice involving the restriction or control of oxygen to the brain through suffocation or strangulation with the objective of achieving the ultimate orgasm. Reviews: (from readers on the HarperCollins Authonomy website) Dark, decadent, sensual and full of tension. Terrifying and edgy! Very disturbing and graphic but it drew me in, evoking a morbid sense of curiosity. This is one of the best thrillers I have read on this site so far and I have been here for over a year. Amazing read, brazen beginning. You have a very sinister talent! Brilliant build up and tension.your descriptive narrative brings the eerie images to life. Best of luck with your creepy, horrible, revolting, FASCINATING mystery! A tremendous thriller. Easily as compelling and readable as Deaver and Coban. A bit gruesome but very scary. Vivid and erotic-creepy, always a great hook...
