Bushwhack: A Serial Story of Off-Trail Hiking Camping in the Pacific Northwest Wilderness

By Gerald M Chicalo

Createspace, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Human nature, in its most raw and desperate form, is to survive; at any cost. What we did to ourselves, and to each other, in order to stay alive out in the dark and cold depths of the forest shocked and shamed us to our very cores. The out-of-control events changed us. Forever. For now we know how high the cost of surviving can be, and that we were willing to pay the price; even if it meant someone else did not survive as a consequence. Three women, six men, and one dog, set out on a good-intentioned, multi-day, off-trail hiking adventure. Laughing, joking, even flirting with each other, it all starts out so well. Until. well, you ll have to read it to find out. To experience this book as intended, as a serial story, please read only one chapter per day, if you can resist the temptation. Originally posted as a serial trip report to an online hiking club s message board, the tragedy takes place in the raw and untamed wilderness of the Pacific Northwest....

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).
