Createspace, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you tired of bloated programs that seem too complex for everyday tasks? Do you prefer simple and easy (yet powerful) programs? Then you have come to the right place. iWork is Apple s suite of productivity software. It includes Pages (work processor/layout), Numbers (spreadsheet) and Keynote (presentation). This is not a how to guide that goes step by step by step in creating a new project. I cover what I feel is the essence of each application. This includes describing every toolbar and the buttons on each. I also go cover Menu and describe what is found in each. A good stepping stone to start exploring the programs and start creating useful or beautiful projects in no time. Ready to learn a productivity suite designed by Apple - simple - yet powerful? This guide is published in easy to read 8 x 10 format. It is 86 pages and ready to get you started unleashing the power of the new or old Mac you own!!!.
