Managing Affordable Healthcare Services for Emerging Economies: An Operations Perspective (Paperback)

By Mr Rahul Gope, Mr Abhishek Ekka

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Healthcare service delivery in emerging economies comes with great contradictions: that despite being fast growing economies, healthcare remains unaffordable to the large chunk of its population particularly for patients belonging to the bottom of the pyramid (BoP). Thus the modern healthcare systems are missing out on the Uncaptured Potential of the Emerging Markets. In order to offer affordable healthcare to its citizens the developing countries face many challenges. Primarily qualified manpower at different levels and their willingness to work in remote as well as smaller cities and towns. These countries also faces constraints with traditional government system, fast growing private sector and lack of financial support for its citizens. Many private players including hospitals and medical device companies are developing schemes for healthcare delivery in Emerging Markets. However, models developed for resource rich environment will be less applicable for countries like India and other emerging countries need to develop their own mixed models of care delivery and improve the same based on their experience. In this book, the reader gets a holistic operations perspective on developing tailored and affordable service delivery...
