Europa Editions, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Alice is about to marry Mad. Alice is white. Mad is black. Alice is French; Mad, though he has studied and lived in France for years, is not. They have been friends since childhood and never been romantically involved. But now Mad is being threatened with deportation and marrying Alice strikes both friends as the best solution to their problems. On the eve of her wedding, Alice reflects on their years of friendship-from their childhood together to the first time she ever heard racial slurs being directed at her friend to the victory of Jean- Marie Le Pen in the presidential primaries in 2002. This succession of personal anecdotes forms a grand history of racism and a moving portrait of contemporary youth. Recounting stories of rebellion and friendship, of the passage from indignant adolescent to consciously engaged adult, Take This Man is a delightful and original novel by a talented young author.
