HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Maggie Costello uncovers an assassination plot to kill the tyrannical new president. A blockbuster thriller from No.1 Sunday Times bestselling author Sam Bourne. The unthinkable has happened. The United States has elected a volatile demagogue as president, backed by his ruthless chief strategist, Crawford Mac McNamara. When a war of words with the North Korean regime spirals out of control and the President comes perilously close to launching a nuclear attack, it's clear someone has to act, or the world will be reduced to ashes. Soon Maggie Costello, a seasoned Washington operator and stubbornly principled, discovers an inside plot to kill the President - and faces the ultimate moral dilemma. Should she save the President and leave the free world at the mercy of an increasingly crazed would-be tyrant - or commit treason against her Commander in Chief and risk plunging the country into a civil war?.
