By Jerome Aan de Wiel

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is an in-depth examination of the relations between Ireland and the former East Germany between the end of the Second World War and the fall of the Berlin Wall. It explores political, diplomatic, economic, media and cultural issues. The long and tortuous process of establishing diplomatic relations is unique in the annals of diplomatic history. Central in this study are the activities of the Stasi. They show how and where East German intelligence obtained information on Ireland and Northern Ireland and also what kind of information was gathered. A particularly interesting aspect of the book is the monitoring of the activities of the Irish Republican Army and the Irish National Liberation Army and their campaigns against the British army in West Germany. The Stasi had infiltrated West German security services and knew about Irish suspects and their contacts with West German terrorist groups. East German Intelligence and Ireland, 1949-90 makes an original contribution to diplomatic, intelligence, terrorist and Cold War studies. -- .

Reviews

This publication may be worth purchasing. it was actually writtern quite flawlessly and valuable. I am just happy to tell you that this is actually the very best book i actually have study inside my personal life and can be he best ebook for actually.

-- **Frank Nienow**

This is the greatest book we have study right up until now. This can be for all those who statte that there was not a worth reading. Your lifestyle period will probably be enhance when you complete looking at this ebook.
