

The Ten-Foot Chain (Paperback)

By Max Brand

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.SOME time ago I was dining with four distinguished writers. Needless to say where two or three authors are gathered together with a sympathetic editor in their midst, the flood-gates of fancy are opened wide. In an inspired moment, Dr. Means tossed this tremendous trifle into the center of the table: What mental and emotional reaction would a man and a woman undergo, linked together by a ten-foot chain, for three days and nights? The query precipitated an uproar. Captain Abdullah stepped into the arena at once, and with that elan of the heart, which is bred only in the Orient, declared if the man and the woman really loved one another, no chain could be riveted too close or too enduring to render onerous its existence. For through this world and the next, love would hold these twain in ever deeper and tenderer embrace.
