Filesize: 8.06 MB

### ***Reviews***

*The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.*

*(Dr. Reta Murphy)*

## BACK TO METHUSELAH: A METABIOLOGICAL PENTATEUCH (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. 412 pages. Dimensions: 8.9in. x 6.0in. x 1.1in. The Dawn of Darwinism One day early in the eighteen hundred and sixties, I, being then a small boy, was with my nurse, buying something in the shop of a petty newsagent, bookseller, and stationer in Camden Street, Dublin, when there entered an elderly man, weighty and solemn, who advanced to the counter, and said pompously, Have you the works of the celebrated Buffon My own works were at that time unwritten, or it is possible that the shop assistant might have misunderstood me so far as to produce a copy of Man and Superman. As it was, she knew quite well what he wanted; for this was before the Education Act of 1870 had produced shop assistants who know how to read and know nothing else. The celebrated Buffon was not a humorist, but the famous naturalist Buffon. Every literate child at that time knew Buffon's Natural History as well as Esop's Fables. And no living child had heard the name that has since obliterated Buffon in the popular consciousness: the name of Darwin. Ten years elapsed. The celebrated Buffon was forgotten ;I had doubled my years and my length; and I had discarded the religion of my forefathers. One day the richest and consequently most dogmatic of my uncles came into a restaurant where I was dining, and found himself, much against his will, in conversation with the most questionable of his nephews. (Typographical errors above are due to OCR software and don't occur in the book.)
