Troubador Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . The magazine was inspired by the fact that in the many years both had spent thinking, writing and talking about men s issues, the mainstream cultural conversation about gender had pretty much stuck to a single simplistic and inaccurate narrative: Women have problems, Men are problems. But the truth is far less black and white. From educational underachievement and fatherlessness, to homelessness and suicide, there are many grave inequalities that hit men and boys hardest. The book encompasses everything from a poignant insight into a fathers experience of miscarriage, to an irreverent celebration of male-objectification, as well as fascinating explorations of subjects most of us simply take for granted - for example, why do men wear trousers anyway? The book also includes practical advice from leading advocates on the best ways to...
