## MAN IN THE LIGHT OF EVOLUTION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Man in the Light of Evolution Almost fifty years ago Mr. Darwin published the Origin of Species. His Descent of Man followed some years later. A host of books have since been written on evolution, Darwinism, and natural selection. But comparatively few zoologists have attempted to show the bearing of the theory of evolution on man s history, progress, and life. They have generally left this problem to the sociologist and archaeologist. This need not surprise us. All problems of life are exceedingly complex. Nature is, or seems, very illogical. Why, then, attack the problem in its most difficult form in the highest and most complex living being until we have gained an approximate solution of the questions involved in the life of the lower and simpler? The zoologist wisely hesitates before the difficulties of the attempt. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
