THE NUMBER THE FORCE: PI GRAVITATION (PAPERBACK)

WestBow Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mathematical Pi For thousands of years it seemed natural and reasonable that a mathematical or geometrical relationship would be discovered between the circle and the square. It seemed logical that the circle could be measured as squares and rectangles are measured. That, however, is incorrect. And, our puzzling friend, the value called pi, is responsible for this perplexing situation. We continue to...
