My wife, children and I were all in bed, just about to go to sleep when all of a sudden, my wife shook me and says: There s a Bat in the house! Slowly opening my eyes in the dark of night, just returning from the all expected nocturnal slumber. I said something like: What? as if I was ready to fall back to sleep. She repeated: There s a Bat in the house! This time she got my attention. As I began to hear a whirling sound just above our heads as we lay upon our bed! I thought for a moment, as she said: What are you going to do about it? I replied with something like: I ll take care of it. as I got out of bed and left the room. Now she must have thought: Where s he going?.
