Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

OUTLINES OF SOCIAL PHILOSOPHY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . I have tried to expound the leading principles in a way that might be expected to be intelligible and interesting to beginners, and at the same time to supply some material that might be useful to more advanced students, and to indicate directions in which further light could be sought on the subjects that come up for discussion. It appears to be the practice, in several places in which courses of this kind are given, to use Plato s Republic as a general basis for study. I believe this to be a good practice; and I have, accordingly, given frequent references to that work throughout, and have also added some Notes upon it in an...
