SMALL-SCALE INDUSTRIES IN INDIA

New Century Publications, New Delhi, 2011. Hardcover. Book Condition: New. First. 14 cms. 184pp. Small-scale Industries are considered a harbinger of economic progress and have stemmed and grown out of India's own skills, resources, enterprise and culture. This sector is believed to be an elixir for all the ills of a developing economy like India. A growing economy always needs the presence of small enterprises. In a labour abundant and capital scarce country like India, small-scale industries have come to...

Reviews

This pdf is really gripping and interesting. We have go through and that i am confident that i will planning to read yet again once again later on. You wont feel monotony at at any time of your time (that's what catalogs are for relating to in the event you question me).

-- **Miss Madisyn Gulowski**

An extremely great publication with perfect and lucid answers. It really is writter in straightforward phrases and never hard to understand. You can expect to like how the author write this publication.
