the Indian Women: Myth And Reality

By J.P. Singh

1996. Hardcover. Book Condition: New. 434 Our Knowledge of the Indian woman continues to be quite inadequate and in some ways superficial too. The fact that issues relating to women are quite vast and of bewildering complexity has greatly hampered our understanding of the womenfolk. Keeping this fact in view, experts from different branches of humanities and social sciences have attempted to focus on certain key issues concerning the Indian woman from the perspective of their own discipline. The book is a somewhat new venture in cross-disciplinary studies of the Indian women. As far as possible each contributor has offered an original account of the current dialogue on the subject covered giving sufficient empirical or historical depth. The volume will have achieved its purpose, if it provokes the students and researchers alike to engage in serious and concerned reflection upon the Indian woman. About The Author:- J.P. Singh is presently a reader in Sociology at Patana University, Patna and Chairman, Institute of Population and Integrated Development, Patna. He has been a Augc Teacher Fellow at the JNU, New Delhi: Research scholar at the School of Social Sciences, the Australian National University of Hawaii (USA): And Reader in Research Methodology at...
