Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

(Taylor Medhurst)

DEFENSE LOGISTICS: A COMPLETED COMPREHENSIVE STRATEGY IS NEEDED TO GUIDE DODS IN-TRANSIT VISIBILITY EFFORTS: REPORT TO CONGRESSIONAL COMMITTEES. (PAPERBACK)**DOWNLOAD**

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. DOD has invested heavily in its logistics operations, estimating that its overall spending on logistics-including supply chain management-was more than \$171 billion in fiscal year 2011. GAO has previously reported that one of the most complex and vital tasks facing DOD is managing its supply chain to effectively and efficiently provide spare parts, food, fuel, and other critical supplies in support of U.S. military forces. GAO has identified DOD s supply chain management as a high-risk area and has previously reported that limitations in asset visibility-including the visibility of assets in transit-make it difficult to obtain timely and accurate information on the assets that are present in the theater of operations. As part of GAO s work to update its high-risk areas, this report assesses the extent to which DOD (1) is aware of its components efforts to improve in-transit visibility and (2) has a strategy to achieve in-transit visibility that includes the key elements of a comprehensive strategic plan. To conduct these assessments, GAO obtained and analyzed information from the defense components, reviewed and analyzed relevant defense policies, guidance, and plans regarding in-transit visibility, and interviewed officials from DOD and the defense components.
