Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

HOT LEAD, COLD IRON (PAPERBACK)

Titan Books (UK), 2016. Paperback. Condition: New. Language: English . Brand New Book. Mick Oberon may look like just another 1930s private detective, but beneath the fedora and the overcoat, he's got pointy ears and he's packing a wand. Among the last in a line of aristocratic Fae, Mick turned his back on his kind and their Court a long time ago. But when he's hired to find a gangster's daughter sixteen years after she was replaced with a changeling, the trail leads Mick from Chicago's criminal underworld to the hidden Otherworld, where he'll have to wade through Fae politics and mob power struggles to find the kidnapper and solve the case.
