Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

P.S. (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. Louise Harrington's ten-year marriage ended for reasons she has yet to fathom even four years later. At thirty-eight she is as confused about the men in her life as she was at seventeen. So, when the double of her high-school sweetheart appears in her life, she can't tell if she's gone mad, if it's a joke or a miracle. When her best friend Missy gets involved (it has taken Louise years to forgive her for stealing him in the first place) history begins to repeat itself.
