John Wiley Sons Australia Ltd, Australia, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Social media is not about social media. It s about leadership and connections. Billions of conversations are taking place in social networks every day. But for busy executives and business owners, time constraints make it hard to dedicate time to demystifying these communication opportunities. In The Social Executive, readers are given evidence-based, data-driven strategies for mastering social media, and using it to enable business success. This book s easy, straightforward, practical style ensures that you will gain a solid working platform in the shortest amount of time possible. The focus is on the reasons why social media is important for executives, and how it aligns perfectly with business strategies. The Social Executive is for analogue people who know they need to be digital but need a guiding hand - the book is a safety net - it s saying - we will guide you there - we will tell you why - we will tell you how - let us help you to remain relevant and become more influential - it s about human communication. It gives the tips and tools to adapt to new online environments, and the confidence to use them to build credibility, authority deeper and new business relationships. Written by Dionne Kasian-Lew, an expert who has advised many executives on the topic of corporate social media use, this resource also helps professionals pinpoint the most important social networks to invest time in, and explores which platforms are best suited for various communication goals. \* Brings together strategy and concrete actions, so can learn not only the most rewarding approaches, but how best to carry them out \* Delves into the benefits of a strong presence...
