

You Can be Rich: A Practical Guide to Financial Planning

By Times Group Books

Times Group Books, New Delhi, India, 2014. Softcover. Book Condition: New. First Edition. Why are some people rich, while others struggle to hold on to their finances? Is there some secret to building wealth and resources? In this book, the writers examine the hurdles which prevent most people with moderate incomes from amassing wealth. They teach readers that there are two main problems keeping them from becoming rich: ignorance and a lack of planning. To this end, they teach readers how to plan their expenses ahead so that they have some money left over at the end. They show that organizing ones finances and keeping an account of every single transaction will improve their chances of saving enough money to lead a carefree life. This book will help all readers who have a hard time understanding how to save money. Printed Pages: 240.
