Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HEATHEN HEARTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Torkel Mac Macleod is a work weary cowboy living in South Western Alberta. Now that the kids have grown and left home, life for Mac and his wife Elfrida has become a repetitive routine of work and sleep followed by more work. Life has them in a grind and it appears nothing can change it. Then the phone calls from their children start. Next come strange old videos on Youtube. Finally the email arrives that ties everything together. Thirty years earlier, before Mac met his wife Elf, he had another life, one that has been suppressed and driven from his memory. Against the better judgement of his family who are somehow implicit in his case of amnesia, Mac sets off to Europe to meet Anja Lindstrom, Gitte Kozak, Deedee Hanlan, and others who will help him recover those lost, not days or weeks.but years. Using travel and Deedee s photographs, Anja with Gitte s help, will guide Mac through those lost years and to his missing memories. Anja though is not quite as she appears nor is Gitte. There is a matter of some unfinished business that these women are not telling Mac about. Something involving a certain, White Witch of Linden Wood and her relationship with an ancient curse placed by a Dark Sorcerer. But even he are not who he seems! From the foothills of Alberta, to the forests of Sweden, Mac will seek the truth. From the Hortobagy Puszta to the cobblestone streets of Belfast the pages of his history will once again be legible. But that is not all. Anja will lead Mac through disturbing memories of decadent Los Angeles and the dangers of the...
