

## The Turban for the Crown: The Islamic Revolution in Iran (Paperback)

Filesize: 7.11 MB

### **Reviews**

*Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion. (Prof. Antone Olson II)*

Oxford University Press Inc, United States, 1989. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Iranian revolution still baffles most Western observers. Few considered the rise of theocracy in a modernized state possible, and fewer thought it might result from a popular revolution. Said Amir Arjomand's *The Turban for the Crown* provides a thoughtful, painstakingly researched, and intelligible account of the turmoil in Iran which reveals the importance of this singular event for our understanding of revolutions. Providing crucial historical background, Arjomand examines both the structure of authority in Shi'ism (one of the two main branches of Islam) and the impact of the modern state on Iranian society, two factors essential to the comprehension of the revolution of 1979. He then describes the emergence of Khomeini; the infusion of petrodollars into the economy; the blatant political corruption; and Khomeini's disposal of Bakhtiar, Bani-Sadr, and Bazargan, consolidation of religious rule, and establishment of a constitution based on a new interpretation of Islamic principles.
