

Archeological Investigations in the Yadkin River Valley, 1984-1987 (Classic Reprint) (Paperback)

By J Ned Woodall

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Archeological Investigations in the Yadkin River Valley, 1984-1987 Any successes of the Great Bend research are due to the interest, support, cooperation and hard work of dozens of people, only some of whom can be mentioned here. Prominent among supporters are the Surry County Historical Society and the Surry County Committee for America's 400th Anniversary, which provided us with funding, logistical aid and their morale-boosting interest in our work. In particular I thank Marion Venable for her continuing assistance during the two seasons of Surry County field work and her liaison work with the historical society. Additional funding was made available by the National Park Service through a 1987 Survey and Planning Grant, administered through North Carolina's Division of Archives and History. Wake Forest University provided a research leave for me, and the University's Graduate Council granted funds to assist in preparation of this manuscript. Additional funds were provided by the Lindsay P. Morris Memorial Fund for Archeological Studies. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting to read this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Elenor Koch PhD

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for any time.
