Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****.Towards the end of the Equator cruise, RLS started trying to put together the material he had collected about South Seas culture, language, traditions and society: anthropology, history, sociology together with personal impressions. He had already agreed with S. S. McClure (in 1888) to sell him letters from the South Seas to be syndicated in newspapers and magazines. These he hoped to use for materials for the big book on the Pacific. The volume published as In the South Seas was edited by Sidney Colvin and published after RLS s death in 1896. RLS felt he had unique material: such wild stories, such beautiful scenes, such singular intimacies, such manners and traditions, so incredible a mixture of the beautiful and horrible, the savage and civilised. [...] I propose to call the book The South Seas.
