Forgotten Books. Paperback. Condition: New. This item is printed on demand. 688 pages. Dimensions: 9.0in. x 6.0in. x 1.4in. The iconic novel *Les Miserables* by renowned French novelist Victor Hugo is an absolute must read. The book was first published in 1862 and is considered to be one of the greatest novels to have been written in the 19th century. Over the years it has been adapted many times, most popularly into a musical, and more recently into a film edition of said musical. The harrowing story follows the lives of those living in the early 1800s in Paris. The main character is Jean Valjean, a man who is looking for the true path of redemption. It starts in 1815 and leads up to the June Rebellion of the French Revolution in 1832. During the novel Hugo looks at many aspects of Paris, including the political and economical welfare of the city. Romance, justice and religion are also commonly recurring themes throughout that give the story a deep emotional vestige. It is a truly wonderful book that is not to be missed. This series is split into 5 volumes which helps break the story into manageable portions. It is a world famous classic that can be enjoyed by all, whether you are a complete stranger to the world of *Les Miserables* or an existing fan it is a great edition of a truly fantastic novel.
