Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

AL MURRAY: THE PUB LANDLORD S BOOK OF BRITISH COMMON SENSE (PAPERBACK)

Hodder Stoughton General Division, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. We live in an age of waffle, mumbo-jumbo and bad thinking. We re forever being fed dodgy information by so-called experts, scientists, opinion-makers, politicians, journalists and jumped-up little graduates. Their combined bad thinking includes: *the idea that no one should win in running races at school, in case the losers get upset*the idea that owning a house in France is a decent way to spend your money *the idea that we should all talk about our feelings and that would make things better*speed cameras*mineral water*hummus*and the fact that everyone reckons they ve got asthma. Why do we believe this nonsense? Because, as a nation we ve forgotten the basic elements of common sense. Thank God then for Al Murray. Together with the collecting thoughts of hia locals, he s here to put good old-fashioned British common sense back where it belongs.
